Alcohol Safety Action Program Director Northwestern Regional Adult Detention Center Division of Court Services

The Old Dominion Alcohol Safety Action Program (ASAP) delivers court-directed intervention services in Frederick, Page, Shenandoah, and Warren Counties and the City of Winchester to persons convicted of driving under the influence of alcohol or drugs and/or other minor offenses involving drugs or alcohol.

The Old Dominion ASAP Director:

- Directs ASAP case managers and support staff in the conducting client evaluations, education, and probation support activities;
- Develops, coordinates and directs local ASAP management policies and procedures;
- Responsible for the training and professional development of the ASAP staff;
- Develops, coordinates, and executes the local ASAP budget;
- Serves as the Region's principal point of contact with Virginia ASAP Policy Board Executives and represents the Old Dominion ASAP at state and regional conferences;
- Coordinates the Region's ASAP Policy Board.

Requirements include:

- A bachelors degree in criminal justice, sociology, counseling or similar field required; Masters Degree preferred.
- Minimum of five (5) years experience in probation activities, counseling, and/or criminal justice activities.
- At least three (3) years at the supervisory level.
- Completed Jail Application required and available online at www.co.frederick.va.us.

Only applicants selected for interview will be contacted.
